## FOR PURCHASING A FONT FROM REMEDY667

Remedy667 **HORROR FONTS** are hand drawn typefaces inspired by classic movie posters. We take great care in making sure that the kerning isn't **TERRIFYING** and our characters are uniform.

Hopefully, you won't be **HORRIFIED** by our selection of available characters, but in case you do find that this font is missing something you need. Please alert a member of our staff, and we will happily escort you an updated version of the font.

Thank you for you patronage.
